1.0 INTRODUCTION
UNAVCO, Inc. (hereinafter referred to as “UNAVCO”) is interested in receiving pricing for the maintenance services of its Data Center included in this Request For Proposal (RFP) and is requesting proposals from a number of potential suppliers.

UNAVCO encourages participation by "minority owned business", "female owned business" or a "business owned by a Person with a disability" as those terms are defined in the Business Enterprise for Minorities, Females, and Persons with Disabilities Act, 30 ILCS 575, et seq.

UNAVCO invites vendors to submit proposals in accordance with the terms and conditions of this RFP. This RFP provides the requirements and evaluative criteria and requests a detailed response from all prospective vendors, including pricing and service descriptions, in a specified format.

1.1 PURPOSE
The purpose of this RFP is to provide for monitoring, preventive, corrective, emergency maintenance, repair, upgrades, and modifications to the cooling, heat exchange, uninterruptable power supplies, and power distribution unit that serve the UNAVCO Data Center. It is anticipated that the terms of the contract awarded from this RFP will be from UNAVCO’s notice to proceed for five (5) years. UNAVCO reserves the right, prior to contract award, to determine the length of the initial contract term and each option to renew, if any.

1.2 MANDATORY PRE-PROPOSAL CONFERENCE
Offerer’s are required to attend a mandatory pre-proposal conference to familiarize themselves with the existing conditions and satisfy themselves as to the nature and scope of the work to be done and the difficulties that may exist. Please allow 2 hours for the meeting. Prompt attendance is expected and sign in is required.
